

Emerging Technologies Summit

MAKING THE CONNECTION:
From Energy Efficiency Innovation to Delivery

April 19 – 21, 2017

What's Next? Bringing Integrated Solutions from Idea to Market

TARUN KAPOOR, SHERRI PITTMAN, SARA NEFF, AMANDA SABICER,
STEPHANIE YANCHINSKI, JOEY BARR

- FLOW / RocketFund - www.flow.caltech.edu
 - Part of Caltech's Resnick Sustainability Institute that provides funding, expert guidance and connections to help cleantech entrepreneurs grow their companies and accelerate products to market.
- California Clean Energy Fund - CalCEF.org
 - Entrepreneurial support programs work toward rapid clean energy adoption, to build equity into the energy economy and to create new jobs in California, the United States and around the world.
- Whisker Labs - www.whiskerlabs.com
 - Delivers home energy intelligence technology to connected homes using a Connected Savings platform that optimizes connected devices, while bringing non-connected devices online.
- Kilroy Realty - www.kilroyrealty.com
 - Provides creative and productive physical work environments to serve innovation-driven tenants, including technology, entertainment, digital media and health care companies.
