

Monday, October 15			
Day 0			
Conference Area			Exhibit Area
Convention Center Closed			
Tour A		Tour B	
11:00 AM	Depart Convention Center	11:00 AM	Depart Convention Center
11:30 AM - 12:45 PM	Lunch & Energy Education Center - Irwindale	12:00 - 1:00 PM	Lunch & California Plug Load Research Center
1:15 - 2:15 PM	Brookfield Home's GreenDoor at EdenGlen	1:30 - 2:30 PM	Affordable, Buildable and Certified (ABC) Green Home
2:45 - 3:45 PM	Frontier Project	3:30 - 4:00 PM	Energy Education Center - Irwindale
4:30 PM	Arrive Pasadena Convention Center	4:30 PM	Arrive Pasadena Convention Center
Free Time 4:30 - 5:30 PM			Registration Desk Open 10:00 AM - 5:00 PM
Reception Keynote: Bill Nye "The Science Guy" Pasadena Convention Center, Ballroom 5:30 PM - 7:30 PM			
			Vendor Setup 11:00 AM - 5:00 PM
			Closed
			Open

Time	Tuesday, October 16 Day 1				Exhibit Area
	Conference Area				
8:00 - 9:00 AM	Breakfast				Open
9:00 - 10:15 AM	Welcome Address Lisa Cagnolatti - SCE VP Business Customer Division Michael Peevey - California Public Utilities Commission President				Closed
10:30 - 11:30 AM	Ballroom D&E Round Table 1 Utility Programs & New Technology Development	Room C DR Session 1 Demand Response for the Masses	Room F Lighting Session 1 Lighting Systems: Making the Connection		Open
11:45 AM - 12:45 PM	Room C HVAC Session 1 Fault Detection and Diagnostics: From the Lab to the Market	Room F Efficient Building Session 1 ZNE Laboratory Design & Development	Room G Advancing ET Session 1 To Assess or not to Assess? Assessments Best Practices	Room H Lighting Session 2 Lamp Replacements: A Turning Point for LEDs?	Open
12:45 - 2:00 PM	Lunch Keynote: Vijay Vaitheeswaran - <i>The Economist</i> Journalist				Closed
2:15 - 3:15 PM	Room C Advancing ET Session 2 Getting Smart About Market Intelligence	Room F Lighting Session 3 Lighting Controls: Switching Out the Old	Room G HVAC Session 2 Gas Technologies	Room H Efficient Building Session 2 Residential ZNE: Diverse Builder Perspectives	Open
3:30 - 4:30 PM	Ballroom D&E Round Table 2 Accelerating Adoption Through Collaboration	Room G DR Session 2 The Commercial Market Place Leading Demand Response		Room H Efficient Building Session 3 Future Issues and Code Implications	Open
4:45 - 5:45 PM	Room C Efficient Building Session 4 Designing Toward Commercial ZNE	Room F DR Session 3 The Untapped Resource, Demand Response for the Industrial and Agricultural Markets	Room G HVAC Session 3 Variable Capacity A/C Systems	Room H Lighting Session 4 LED Standards: Status and Progress	Open
5:45 - 7:45 PM	Reception				Open

Time	Wednesday, October 17 Day 2				Exhibit Area
	Conference Area				
8:30 - 9:25 AM	Breakfast & Opportunity Drawing				Open
9:30 - 10:30 AM	Ballroom D&E Round Table 3 ET Programs Across North America	Room C DR Session 4 Shifting Load and IP Communication, Tools for Demand Response	Room F HVAC Session 4 Evaporative Technologies		
10:45 - 11:45 AM	Room C Lighting Session 5 Utility Collaboration and Program Transformation	Room F Advancing ET Session 3 Ain't Misbehavin'	Room G Efficient Building Session 5 The Future of Building Modeling	Room H HVAC Session 5 Radiant Technologies	
11:45 AM - 1:00 PM	Lunch Round Table: Emerging Technologies: the Customer's Perspective				
1:15 - 2:15 PM	Room C HVAC Session 6 Future HVAC	Room F Efficient Building Session 6 Design and Performance of Zero Energy Homes	Room G Advancing ET Session 4 Scaled Field Placements in Action	Room H DR Session 5 Efficiency, Mobile Loads, and Consumer Preference: How do These Affect Demand Response?	
2:30 - 3:30 PM	Room C Advancing ET Session 5 Driving Innovation with Product Specifications	Room F Efficient Building Session 7 Deep Energy Retrofits	Room G Efficient Building Session 8 Emerging Technologies with Intelligent Buildings	Room H Lighting Session 6 Daylighting: Taking Advantage of Free Photons
